The Rhode Island Convention Center offers complimentary WiFi (1.5 Mbps) available for 2-hour blocks. This service is good for texting and emailing but is not suggested for streaming or for transferring large files such as video files. When you first connect to the wireless network, you will be prompted to accept the terms and conditions.

We also offer a credit card WiFi option of 5 Mbps, available at \$80.00 for 24 hours. This is over 3 times the speed of the complimentary option and is the same service as if an access code was purchased.

Rhode Island Convention Center also has many other wired and wireless custom solutions to fit every need.

For additional options, please call or email: **1-888-318-7822** or **trusales@truaccessnetworks.com**
